Core Concepts of Patient and Family Centered Care

What our Patients are Saying -

Participation

The team “acted in a professional manner, were courteous, thoughtful, and helpful at all times.”

Respect and Dignity

The staff “were very present to my needs as a patient. They treat patients with dignity and respect, take time to listen and follow through on communication and meeting patient needs.”

Collaboration

“The communication among the” staff “taking care of me was phenomenal. They constantly conferred with each other and included me and my family.”
