

# Ordering Meals During Your Hospital Stay

## How do I order my meals when I am a patient in the hospital?

- A caregiver from our Food and Nutrition team will visit you during your stay to help you place your meal order.
- You can order your meals using an app on your smart device if you prefer.

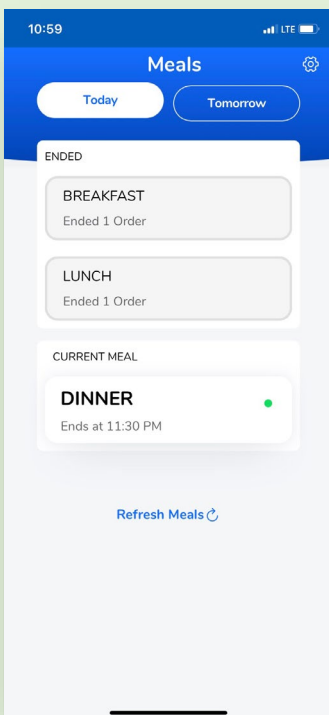

## How do I order my meals on my phone, tablet or computer?

1. Type **patient.cbord.com** in your web browser OR download the CBORD Patient app on your device.
2. Choose **Create an Account**.
3. Choose **Patient**. Check the box if you are at least 13 years of age. Hit **Next**.
4. Type **CCHS302** for the Hospital Facility ID. Hit **Next**.
5. Enter your Date of Birth in the boxes.
6. Enter your Medical Record Number (MRN) from your hospital wristband. Hit **Next**.
7. The next step is to create an account.
  - You can skip this step and still order meals. Click **Skip** in the upper right corner.
  - Enter an email address and password if you prefer to log in to order your meals. This might be helpful if you will be in the hospital for several days.
8. Begin placing your meal orders.

Google Play

- You can order for today and tomorrow.
- You can order meals, or make meal changes, before the ordering end time listed below the meal.
- If a meal has already been ordered, you cannot change the order yourself. Contact our Food and Nutrition team to change or add to your order.
- Select an item. Choose the quantity and click **Add to Order**. Items may have a limit to the number you can order.
- Click **Categories** to order other meal items like drinks, condiments, soup, fruit, and more.
- Click **Order Summary** to see your order.
- Continue ordering by choosing **Back**.
- Click **Place Order** when you are done.
