Kidney Transplant Program

December 2020

Holiday Wishes

The holidays are a time to reflect on all that we are grateful for. For some, it can be a difficult time, especially this year, as we mourn losses and seek out creative ways to show love to our family and friends in non-traditional ways.

We should always remember that we have so much that unites us rather than divides us and that this is a season in our lives that will pass.

Our family at the ChristianaCare Kidney Transplant Program would like to wish you and your family the happiest, healthiest and safest holiday as we look forward with hope to a prosperous new year.
